12	:						
13	:						
14	:						
15	:						
Total:							

Notes to Scorer:	Boundary Manager's Initials:
	Date:

Notes:

- After every flight: Call each Boundary Judge in turn to get their 'OUTS', and record here the individual numbers and the total for each figure.
- This summary sheet must correspond accurately with the returned Boundary Judge Infringement Record sheets for Jury inspection etc..

Even if the box is not aligned with the four compass points, you should still designate your Boundary Judges with the usual North / East / South / West titles as an aid to simplicity when calling them for their infringements after each flight.
