Notes:

Every figure **STARTS** the moment the aeroplane departs from horizontal wings level erect or inverted flight. **EVERY TIME** the aeroplane crosses the boundary from inside to outside the box, give **ONE** penalty:

- If the box boundary is crossed once in a figure then – give **ONE** penalty.
- If this is repeated within a figure you must add **ONE EXTRA** penalty each time.
- Every figure that commences outside the box must be given **ONE** penalty. If the box line is crossed again during the figure from inside to outside, one **EXTRA** penalty must be given each time as above.

Radio Calls

During each flight:

- Call the Boundary Judge Manager each time an **OUT** occurs. You will be given a Code Number for each one – write this in the table above. There may be more than one **OUT** per figure.

After each flight:

- The Boundary Judge Manager will call you to confirm all your **OUT's** and their Code Numbers.
- Be sure to fill in the date, the Programme flown, the Flight Number and add your initials.
